AGuard is Cloud Based Online Guard Tour Automation Software. AMetri is Cloud based Online Telemetry Automation Software.

The purpose of this Privacy Policy is to provide you with a clear explanation of when, why and how we collect and use your personal information, as well as an explanation of your statutory rights. This Privacy Policy is not intended to override the terms of any contract you have with us, nor any rights you might have under applicable data privacy laws.

Read this policy and make sure you fully understand our practices in relation to your personal information, before you access or use any of our Services. If you read and fully understand this Privacy Policy, and remain opposed to our practices, you must immediately leave this website, application or service, and avoid or discontinue all use of any of our Services. 2. What information do we collect?

2.1. Visitor and User Information

We collect two types of information regarding our Visitors and Users:

1. Un-identified and non-identifiable information pertaining to a Visitor or un-identified User, which may be made available to us, or collected automatically via his/her use of the Services (“Non-personal Information”). Such Non-personal Information does not enable us to identify the Visitor or User from whom it was collected. The Non-personal Information collected by us mainly consists of technical and aggregated usage information, such as Visitors’ and Users’ browsing and ‘click-stream’ activity on the Services, session heatmaps and scrolls, non-identifying information regarding the Visitor’s or User’s device, operating system, internet browser, screen resolution, language and keyboard settings, internet service provider, referring/exit pages, date/time stamps, etc.
2. Individually identifiable information, namely information that identifies an individual or may with reasonable efforts cause the identification of an individual, or may be of private or sensitive nature (“Personal Information”). The Personal Information collected by us mainly consists of contact details (e.g., e-mail address or phone number), billing details (name, physical billing address, payment method and transaction details), which are only collected from Users with Paid Services, details regarding a browsing or usage session (IP address, Geolocation and/or device unique identifier), details regarding connected third party accounts (such as the e-mail or username for a connected Google or Facebook account), scanned identification documents provided to us (such as an ID card, driver’s license, passport or official company registration documents), correspondences (including those made through or uploaded to our Services), and any other Personal Information provided to us by Visitors and/or Users through their access to and/or use of the Services. For the avoidance of doubt, any Non-personal

Information that is connected or linked to Personal Information (for example, in order to improve the Services we offer) is deemed and treated by us as Personal Information, as long as such connection or linkage exists.

2.2. Users of Users Information

We may also collect similar information pertaining to visitors and users of our User's websites or services ("Users-of-Users"), solely for and on our Users' behalf (as further described in Section 6 below).

2.3. Comon Professionals Jobs Applicant Information

We also collect information that is provided to us by Comon Professionals jobs candidates ("Applicants"), when they apply to any of the open positions published at www.comon.com.au, by e-mail or otherwise (as further described in Section 7 below).

3. How do we collect such information?

There are two main methods we use:

1. We collect information through your use of the Services. When you visit or use our Services, including when you browse the Website, ATraq User Portal (AUP) or ATraq Administration Portal or any User Website, register a User Account, edit your User Website and upload information and content, and/or download and use any Web Apps and/or Mobile Apps, we are aware of it and will usually gather, collect and record such uses, sessions and related information, either independently or with the help of third-party services as detailed in Section 8 below, including through the use of "cookies" and other tracking technologies, as further detailed in Section 9 below.
2. We collect information which you provide us voluntarily. For example, we collect the Personal Information you provide us when you register to our Services; when you sign in to our Services via third party services such as Facebook or Google; when you place purchases and/or register domain names; when you submit or upload such Personal Information as you use any of our Services; and/or when you contact us directly by any communication channel (e.g., Comon Professionals support tickets, emails).
3. We also collect information from third party sources as described in Section 8 below.

4. Why do we collect such information?

We collect such Non-personal and Personal Information for the following purposes:

1. To provide and operate the Services;
2. To further develop, customize and improve our Services, based on Visitors' and Users' common or personal preferences, experiences and difficulties;
3. To provide our Users with ongoing customer assistance and technical support;
4. To be able to contact our Visitors and Users with general or personalized service-related notices and promotional messages (as further detailed in Section 10 below);
5. To facilitate, sponsor and offer certain contests, events and promotions, determine participants' eligibility, monitor performance, contact winners and grant prizes and benefits;
6. To create aggregated statistical data and other aggregated and/or inferred Non-personal Information, which we or our business partners may use to provide and improve our respective services;
7. To enhance our data security and fraud prevention capabilities;
8. To consider Applicants' candidacy for working at Comon Professionals (as further detailed in Section 7 below); and
9. To comply with any applicable laws and regulations.

We will only use your Personal Information for the purposes set out in Section 4 where we are satisfied that:

1. our use of your Personal Information is necessary to perform a contract or take steps to enter into a contract with you (e.g. to provide you with a website builder, to provide you with our customer assistance and technical support), or
2. our use of your Personal Information is necessary to comply with a relevant legal or regulatory obligation that we have, or
3. our use of your Personal Information is necessary to support legitimate interests that we have as a business (for example, to maintain and improve our Services by identifying user trends and the effectiveness of Comon Professionals campaigns and identifying technical issues), provided it is conducted at all times in a way that is proportionate, and that respects your privacy rights.

Our Services are not permitted to children under 18 years of age. No one under age 18 should provide any Personal Information to us through any of our Services. We do not knowingly collect Personal Information from children under 18. Parents and guardians should supervise their children's activities at all times.

5. Where do we store your information?

Visitors', Users' and Users-of-Users' Personal Information may be maintained, processed and stored by Comon Professionals and our authorized affiliates and service providers in Australia, the United States of America, in Europe (including in Lithuania, Germany and Ukraine) and in other jurisdictions as necessary for the proper delivery of our Services and/or as may be required by law (as further explained below).

Comon Professionals Jobs Applicants Information will be maintained, processed and stored in Queensland, Australia, in the applied position's location(s), and as necessary, in secured cloud storage provided by our Third Party Services.

Comon Professionals Pty. Ltd. is based in Queensland, Australia, which is considered by the European Commission to be offering an adequate level of protection for the Personal Information of EU Member State residents.

Comon Professionals affiliates and service providers that store or process your Personal Information on Comon Professionals behalf are each contractually committed to keep it protected and secured, in accordance with industry standards and regardless of any lesser legal requirements which may apply in their jurisdiction.

Comon Professionals is responsible for the processing of Personal Information it receives, under the Privacy Shield Framework, and subsequent transfers to a third party acting as an agent on its behalf. Comon Professionals complies with the Privacy Shield Principles for all onward transfers of Personal Information from the EU, including the onward transfer liability provisions.

In certain situations, Comon Professionals may be asked to disclose personal data in response to lawful requests by public authorities, including to meet national security or law enforcement requirements, and will do so where permitted by local data protection laws.

Under certain conditions, more fully described on the Privacy Shield website, you may invoke binding arbitration when other dispute resolution procedures have been exhausted.

Upon request Comon Professionals will provide you with information about whether we hold any of your Personal Information. You may access, correct, or request deletion of your Personal Information by accessing our ATraq Users Portal (AUP).

Please note that permanently deleting your ATraq account erases all of your information from Comon Professionals databases except all financial data that Comon Professionals is obliged to withhold in reliance to local taxation authorities. After completing this process, you can no longer use any of your Comon Professionals Services, your User Account and all its data will be removed permanently, and Comon Professionals will not be able to restore your account or retrieve your data in the future. If you contact Comon Support in the future, the system will not recognize your account and Support agents will not be able to locate the deleted account.

Data Localisation Obligations: If you reside in a jurisdiction that imposes “data localisation” or “data residency” obligations (i.e., requiring that Personal Information of its residents be kept within the territorial boundaries of such jurisdiction), and this fact comes to our attention, we may maintain your Personal Information within such territorial boundaries, if we are legally obligated to do so.

You acknowledge that while doing so, we may continue to collect, store and use your Personal Information elsewhere, including outside of the subscribed area

6. Users-of-users’ information

Comon Professionals may collect, store and process certain Non-personal and Personal Information of Users-of-Users (“Users-of-Users Information”), solely on our Users’ behalf and at their direction. For example, each of our Users is able to import their e-mail contacts from third party services like Gmail, or otherwise collect and manage contacts via their User Website. Such contacts are then stored with Comon Professionals, on the User’s behalf.

For such purposes, Comon Professionals serves and shall be considered as a “Processor” and not as the “Controller” (as both such capitalized terms are defined in the European Union General Data Protection Regulation) of such Users-of-Users Information. The Users controlling and operating such User Websites shall be considered as the “Controllers” of such Users-of-Users Information, and are responsible for complying with all laws and regulations that may apply to the collection and control of such Users-of-Users Information, including all privacy and data protection laws of all relevant jurisdictions.

You are responsible for the security, integrity and authorized usage of your Users-of-Users’ Personal Information, and for obtaining consents, permissions and providing any fair processing notices required for the collection and usage of such information.

Comon Professionals cannot provide legal advice to Users or their Users-of-Users, however we do recommend that all Users publish and maintain clear and comprehensive privacy policies on their User Websites, in accordance with the applicable laws and regulations, and that all Users-of-Users carefully read those policies and make sure that they consent to them.

For more information on how Users-of-Users Information may be handled by Comon Professionals (which may be relevant for the specific notice you provide to and/or consent you obtain from your Users-of-Users), please see Sections 8, 12 and 13 below.

If you are a visitor, user or customer of any of our Users, please read the following: Comon Professionals has no direct relationship with the individual Users-of-Users whose Personal Information it processes. If you are a visitor, user or customer of any of our Users, and would like to make any requests or queries regarding your Personal Information, please contact such User(s) directly. For example, if you wish to access, correct, amend, or delete inaccurate information processed by Comon Professionals solutions, i.e ATraq, on behalf of its Users, please direct your query to the relevant User (who is the “Controller” of such data). If requested to remove any Users-of-Users’ Personal Information, we will respond to such request within thirty (30) days. Unless otherwise instructed by our User, we will retain their Users-of-Users’ Personal Information for the period set forth in Section 12 below.

7. Comon Professionals jobs applications

Comon Professionals welcomes all qualified Applicants to apply to any of the open positions published at www.comon.com.au, by sending us their contact details and CV (“Applicants Information”) via the relevant Position Application Form on our Website, or through any other means provided by us.

We understand that privacy and discreetness are crucial to our Applicants, and are committed to keep Applicants Information private and use it solely for Comon Professionals internal recruitment purposes (including for identifying Applicants, evaluating their applications, making hiring and employment decisions, and contacting Applicants by phone or in writing).

Please note that Comon Professionals may retain Applicants Information submitted to it for no longer than two years after the applied position has been filled or closed. This is done so we can re-consider Applicants for other positions and opportunities at Comon Professionals; so we can use their Applicants Information as reference for future applications submitted by them; and if the Applicant is hired, for additional employment and business purposes related to his/her work at Comon Professionals.

If you previously submitted your Applicants Information to Comon Professionals, and now wish to access it, update it or have it deleted from Comon Professionals systems, please contact us at info@comon.com.au.

8.5. Subsidiaries and Affiliated Companies:

We may share Personal Information internally within our family of companies, for the purposes described in this Privacy Policy. For example, we may share your Personal Information with AGuard or AMetri, our Cloud based Automations, in the course of facilitating and providing you (and your Users-of-Users) with our Services. In addition, should Comon Professionals or any of its affiliates undergo any change in control, including by means of merger, acquisition or purchase of substantially all of its assets, your Personal Information may be shared with the parties involved in such event. If we have good faith that such change in control might materially affect your Personal Information stored with us, we will notify you via e-mail and/or prominent notice on our Website of this event and certain choices you may have regarding your Personal Information.

To clarify, Comon Professionals may share your Personal Information in manners other than as described above, pursuant to your explicit approval, or if we are legally obligated to do so.
